

'MERA RATION'

Mobile Application for One Nation One Ration Card

'MERA RATION' Mobile Based Application

Department in association with NIC has developed a Mobile Application "MERA RATION", to facilitate various ONORC related services among NFSA beneficiaries, particularly migrant beneficiaries, FPS dealers and other relevant stakeholders.

'MERA RATION' Mobile Based Application

- Some of the salient features of this application are:
 - Beneficiaries can identify and locate the nearest fair price shop.
 - Beneficiaries can easily check details of their:
 - Foodgrain entitlement
 - Recent transactions
 - Status of Aadhaar seeding.

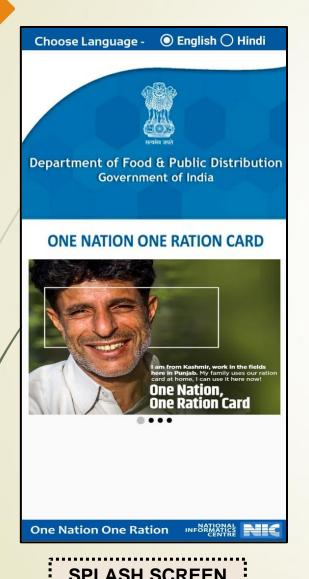

'MERA RATION' Mobile Based Application

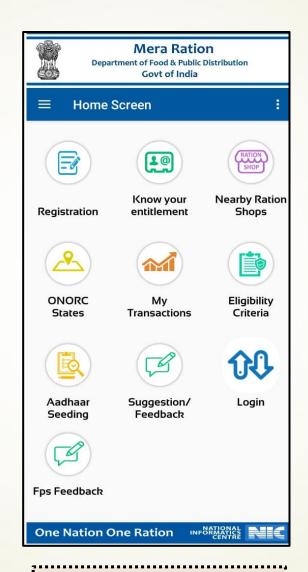

- Some of the salient features of this application are:
 - Migrant beneficiaries can register their migration details through the application.
 - Option for beneficiaries to enter suggestions/feedback.
 - Application is currently available in English and Hindi.
 - More functionalities will be added in the application with time to improve its utility and extend additional services.
