

ACHIEVEMENTS

1. Unprecedented enhancement in budget allocation

In the year 2013-14, the Budget allocation for Department of Agriculture was only Rs. 21933.50 crore. This has been increased by more than 5.5 times to **Rs. 1,23017.57 crore** in 2021-22.

- 2. Food grain production has increased from 265.05 million tonnes in 2013-14 to record 297.50 million tonnes in 2019-20 which is the highest ever food grain production as per the 2nd advance estimates for 2020-21, it is 303.34 million tonnes. This is the first time that the 300 million mark will be crossed. As per third advanced estimates, horticulture production during 2019-20 is 319.57 million MT which is the highest ever for Indian horticulture.**

3. Fixing of MSP at one-and-a half times the cost of production –

- Government has increased the MSP for all mandated Kharif, Rabi and other commercial crops with a return of at least 50 per cent over all India weighted average cost of production from 2018-19.
- MSP for Paddy has increased to Rs. 1868 per quintal in 2020-21 from Rs. 1310 per quintal in 2013-14 marking an increase of 43%.
- MSP for Wheat increased from Rs. 1400 per quintal in 2013-14 to Rs. 1975 per quintal in 2020-21.

4. Increase in procurement from farmers

- MSP payment to farmers for pulses has increased by 95.93 times during the last five years (2016-17 to 2020-21) in comparison to the period from 2009-10 to 2013-14. MSP Payment of **Rs 61,861 Crore** has been made as against Rs 645 Crore of the previous 5 years.
- MSP payment to farmers for oilseeds and copra has increased by 10.80 times during the last five years (2016-17 to 2020-21) in comparison to the period from 2009-10 to 2013-14. MSP Payment of **Rs 26627 Crore** has been made as against Rs 2460 Crore of the previous 5 years.

5. Income support to farmers through PM KISAN

Launch of PM-KISAN in 2019 -an income support scheme providing Rs. 6000 per year in 3 equal instalments. A total of **Rs. 115276.77 crore** has been released so far to **10.74 crore farmer families**.

6. Pradhan MantriFasalBimaYojana (PMFBY)

PMFBY was launched in 2016 addressing problems of high premium rates for farmers and reduction in sum insured due to capping. In past 4 years of implementation – 23 crore farmer applicants enrolled and over 7.6 crore farmer

applicants have received **claims of over Rs. 90,927 crore**. During this period nearly ₹17,510 crore were paid by farmers as their share of premium against which claims of nearly ₹90,000 Crore have been paid to them. Thus, for every 100 rupees of premium paid by farmers, they have received Rs. 520 as claims.

7. Institutional credit for agriculture sector

- Increased from Rs. 7.3 lakh crore in 2013-14 with a target to reach Rs. 16.5 lakh crore in 2021-22.
- Benefit of concessional institutional credit through KCC at 4% interest per annum has also now been extended to Animal Husbandry and Fisheries farmers for meeting their short term working capital needs.
- A special drive has been undertaken since February 2020 to provide concessional credit to PM-KISAN beneficiaries through Kisan Credit Cards. 179.08 lakh KCC applications sanctioned and Rs. 168368.33 crore loan sanctioned as part of the drive.
