'myScheme Platform'

One-stop search and discovery of Government Schemes

(Ministry of Electronics & Information Technology)

September 21, 2022

"*There is scale, security and democratic values in our digital solutions*"

PM Narendra Modi[1]

Introduction

'myScheme' is a service discovery platform (https://www.myscheme.gov.in/) facilitating access to Government Schemes. It is a **one-stop search and discovery portal** where users can find schemes that they are eligible for. It was launched by Prime Minister Narendra Modi at the inauguration of the Digital India Week 2022[2] at Gandhinagar, Gujarat.

myScheme platform is Developed, Managed, and Operated by National e-Governance Division (NeGD), with the Support of Ministry of Electronics and Information Technology (MeitY), Department of Administrative Reforms and Public Grievance (DARPG) and in partnership with other Central and State Ministries/Departments.

Aim of myScheme

The overarching vision of myScheme is to make citizens' life easier by streamlining the government-user interface for government schemes and benefits, thus reducing their time and

effort.[3]

It provides an innovative, technology-based solution to discover scheme information based upon the eligibility of the citizen. **The platform helps the citizen to find the right Government schemes for them,** and also guides them on the application process for such schemes, thereby doing away with the need to visit multiple Government websites.

Procedure to Check the Eligibility Criteria of My Scheme Portal

The myScheme platform offers a convenient three - step process for the citizens to discover the government schemes for which they are eligible:

- ▪ *Step 1* - The user enters his/her attributes such as demographic, income,social details.
- ▪ *Step 2* - myScheme finds the relevant schemes from hundreds of schemesfor the user.
- ▪ *Step 3* - The user can select from the list of eligible schemes and getmore information from the dedicated scheme page with detailed knowledge.
