

Jal Jeevan Mission (State Series)

92.25% households in Himachal Pradesh have tap water supply

All Schools, Anganwadi Centres and GPs/CHCs have tap water supply

(Ministry of Jal Shakti)

April 21, 2022

(Updated on September 22, 2022)

“The vision of Jal Jeevan Mission is not only to make water accessible to the people. It is also a massive decentralization movement. This is a village-driven and women-driven movement.”

- [Prime Minister Narendra Modi](#)

Introduction

Jal Jeevan Mission: Har Ghar Jal was announced by Prime Minister Narendra Modi on **August 15, 2019**, with an aim to **ensure piped water supply to every rural home by 2024**. JJM is a decentralized, demand-driven community-managed water supply programme that seeks to empower local village community, which means **local village community is to play a central role in the planning, implementation, management, operation and maintenance of their own in-village water supply system**.ⁱ

As of September 21, 2022, **over 10.21 Crore rural households in the country** have been provided with tap water connections.

Vision

To ensure that every rural household has drinking water supply in adequate quantity of prescribed quality on regular and long-term basis at affordable service delivery charges leading to

Narendra Modi @naren... · 09 Apr

जल जीवन मिशन आज देश के विकास को एक नई गति दे रहा है। पिछले 3 वर्षों से भी कम समय में जिस प्रकार करोड़ों घरों में नल से जल पहुंचा है, वो जन आकांक्षाओं और जन भागीदारी की एक बड़ी मिसाल है।

नए भारत की पहचान हर घर जल से बना जीवन आसान

अजरादी से लेकर 2019 तक देश में लिये 3 करोड़ 23 लाख घरों तक ही नल से जल पहुंचा था। 2019 में जल जीवन मिशन शुरू होने के बाद 9 करोड़ 40 लाख घरों तक पहुंचा नल से जल।

अब तक 107 जिले और करीब डेढ़ लाख गाँव बने 'हर घर जल' सम्पन्न
17 लाख 39 हजार स्कूलों और आँगनवाड़ी केंद्रों में नल से पेयजल की सुविधा
गाँवों में पेयजल आपूर्ति के प्रबंधन के लिए 4 लाख 82 हजार पानी समितियों का गठन, साथ ही करीब 4 लाख ग्राम कार्य योजनाएं तैयार
जल की गुणवत्ता जाँच के लिए देशभर में 9 लाख 69 हजार ग्रामीण महिलाओं को प्रशिक्षण
7 लाख से अधिक कुशल और अकुशल श्रमिकों को गाँवों में रोजगार के अवसर
4 लाख से अधिक गाँवों में स्थानीय स्तर पर ही जल गुणवत्ता जाँच की सुविधा

“जल जीवन मिशन का विजन लोगों तक पानी पहुँचाने का तो है ही, साथ ही यह विकेंद्रीकरण का भी एक बहुत बड़ा माध्यम है। यह ग्राम-सेचालित और नारीशक्ति-सेचालित है। इसका मुख्य आधार जन आंदोलन और जन भागीदारी है।
- नरेन्द्र मोदी”

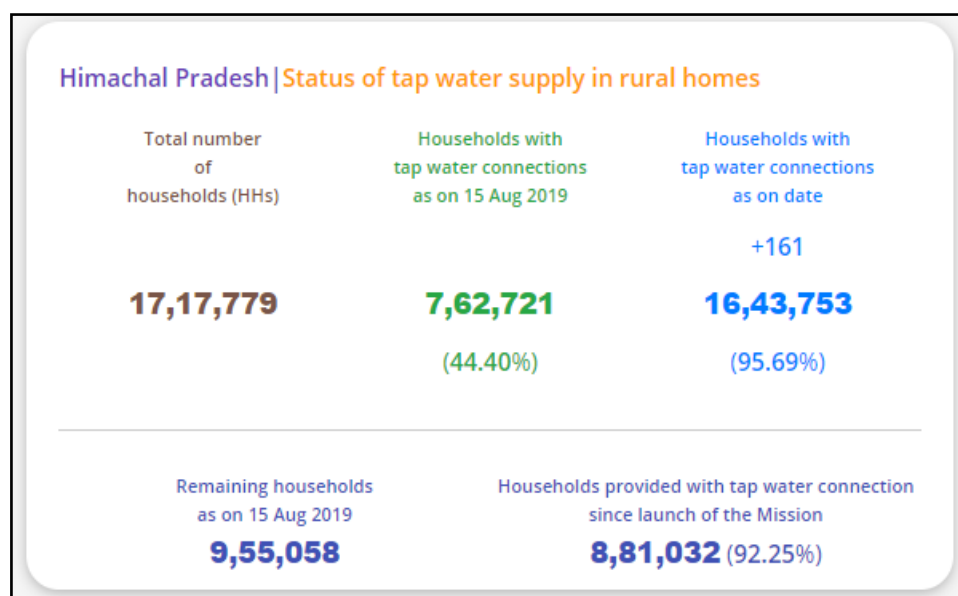

improvement in living standards of rural communities.ⁱⁱ

'Bottom Up' Approach of GOI - *Women and weaker sections to play a pivotal role*

- Women have been given special role under JJM. Accordingly, in every Village Water & Sanitation Committee (VWSC)/ Pani Samiti, 50% members are to be women and proportionate representation is given to weaker sections of the society.
- This empowers the community to act as change agents to bring drinking water security in their villages and also helps in developing 'responsible and responsive leadership' at their grass-root levels in line with Mahatma Gandhi's vision of 'Gram Swaraj', wherein the village community is vested with decision making powers.
- Besides this, the women are further empowered under JJM by entrusting them with the responsibility of undertaking water quality surveillance at village level, and uploading the data at State/ national level portal.ⁱⁱⁱ

Jal Jeevan Mission in Himachal Pradesh

- As of September 21, 2022, in **Himachal Pradesh**, out of **17.17 lakh households 16.44 lakh households have tap water connections** i.e. **95.69% households have tap water supply in the state**.
- Since the launch of the mission, **8.81 lakh households have been provided with tap water connections**.

- As of September 21, 2022, **2 districts, 21 blocks, 2,550 gram panchayats and 15,298 villages have become 'Har Ghar Jal' in Himachal Pradesh**.

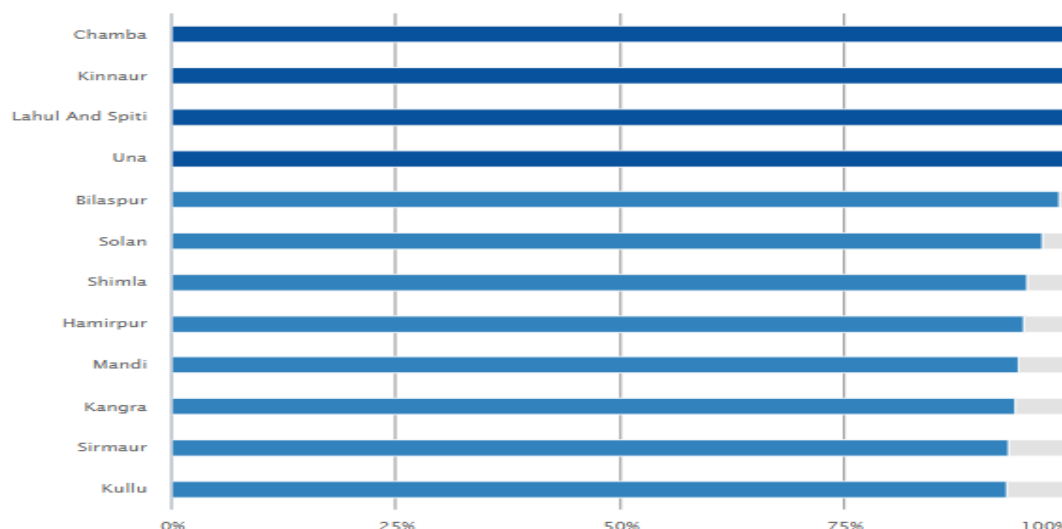

Har Ghar Jal* Status

| Districts | | Blocks | | Panchayats | | Villages | |
|-----------|-----------|----------|-----------|------------|-----------|----------|-----------|
| Reported | Certified | Reported | Certified | Reported | Certified | Reported | Certified |
| 2 | 0 | 21 | 0 | 2,550 | 224 | 15,298 | 1,670 |

* Har Ghar Jal means all households in that unit are provided with tap water supply

- Chamba, Kinnaur, Lahaul & Spiti and Una are the Districts which have become 100% 'Har Ghar Jal' in Himachal Pradesh.

Status of households with tap water connection

- There are 18,105 villages in Himachal Pradesh out of which 15,258 villages have 100% tap water connections. Furthermore, in 18,091 villages water and sanitation committees (VWSC) have been formed.

Status of progress in village

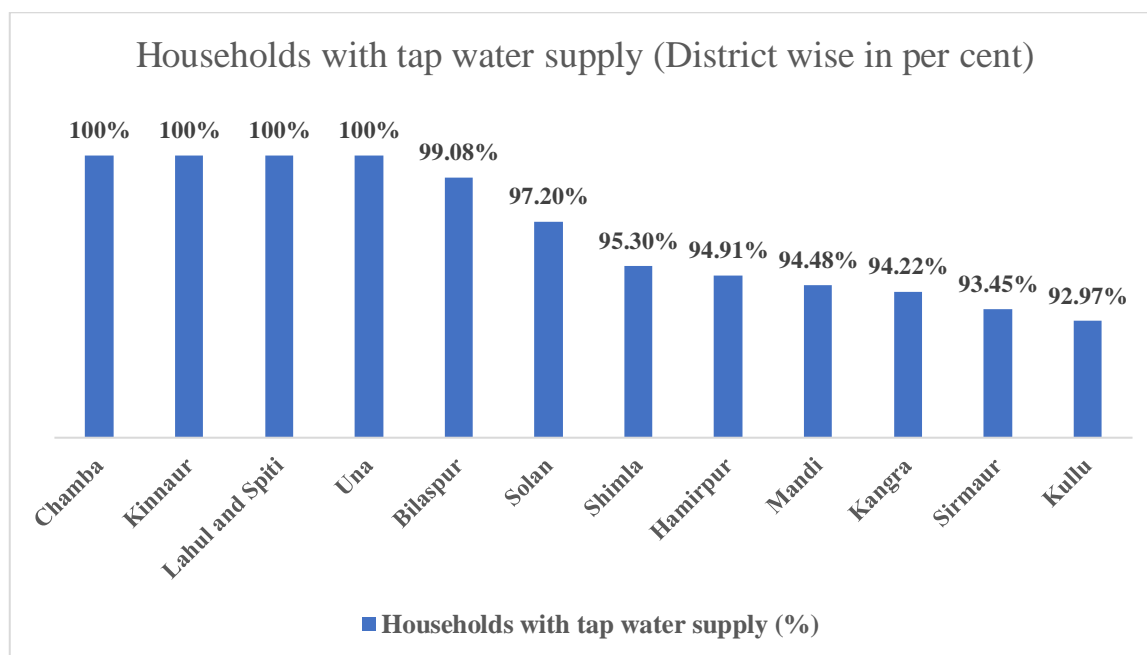

| Total Village : 18,105 | | |
|---------------------------------------|------------------------------------|---|
| Villages with 100 % HH tap connection | Villages where WS work in progress | Villages where WS work yet to start |
| 15,298 | 1,592 | 1,215 |
| Villages where VWSC are formed | Village action plan made | Village with grey water management plan |
| 18,091 | 18,067 | 0 |

* WS = Water supply

- All schools (17,298), Anganwadi Centres (17,769) and Gram Panchayats/Community Health Centres (8,403) have tap water supply.

| Himachal Pradesh Tap water supply in schools/ AWCs/ GPs/ CHCs etc. | | |
|---|---------------------------------------|------------------------------------|
| Tap water supply in schools | Tap water supply in anganwadis (AWCs) | Tap water supply in GPs/ CHCs etc. |
| 17,298 | 17,769 | 8,403 |
| (100%) | (100%) | (100%) |

Status of households with tap water connection in Himachal Pradesh (as on 22.06.2022)

Budgetary Allocation:

For the year 2022-23 under Jal Jeevan Mission, Himachal Pradesh has been allocated [Rs. 1,345 Crore](#).

Door-to-door, Ward-to-ward community awareness activity on various aspects of [#JalJeevanMission](#) is underway in [#Kullu](#) & [#Shimla](#) district of [#HimachalPradesh](#).

The local village community including women are playing an important role and leading the mission at the forefront.

Jal Jeevan Mission II #AzadiKa... · 3h

Under [#JalJeevanMission](#), the Govt. of [#HimachalPradesh](#) is sensitizing PRIs and communities on their roles & responsibilities in managing and operating the water supply schemes.

Capacity building and WQMS activities are being conducted by ISAs, across all districts.

[#HarGharJal](#)

Conclusion

With the active participation of people especially women and rural communities working together, Jal Jeevan Mission has become a Jan Andolan. For long term drinking water security, local communities and Gram Panchayats are coming forward and taking responsibility to manage the village water supply systems, their water resources and grey water. Jal Jeevan Mission is on track to fulfil the Prime Minister's vision to provide tap water supply to every rural household by 2024.^{iv}
