

## Substantial Reduction in Pupil Teacher Ratio over the Last Decade

*Increase in number of teachers in Schools contributing to focused delivery of education*

- ❖ **Decrease in PTR: more focus of teacher on students resulting in improvement in quality of teaching**
- ❖ **Significant reduction in PTR:  
43 in 2010-11 to 26.3 in 2020-21 (Primary)  
33 in 2010-11 to 18.9 in 2020-21 (Upper Primary)**

The **Pupil Teacher Ratio (PTR)** at different levels of education show availability of adequate number of teachers for teaching children enrolled at different levels/grade.
