

## Empowering Youth: Strengthening India's Academic Landscape

### Vision:

Provide opportunities across disciplines to educate and skill the Indian Youth to harness their full potential as well as become the building blocks of India's **Amrit Kaal**.

### Vision Unlocked: Action on Ground

The Government undertook a robust expansion of **Higher Education Institutions (HEIs)** to empower the Youth with skills and capacities to foster innovation and expertise across diverse disciplines, thereby propelling the nation's progress.
