

## **BIBLIOGRAPHY ON DEMAND SERVICE**

Central Reference Library, Kolkata operating under the auspices of the Ministry of Culture, will expand its user base through the Bibliographic Services on Demand. This service aims to provide users with curated lists of reliable sources compiled by professional bibliographers. Introduction of this service effectively synergizes with the National Education Policy (NEP) 2020 which emphasizes upon the establishment of a robust ecosystem to bolster existing research capacities and is in line with noteworthy Government initiatives such as the 'One Nation One Data' and 'One Nation One Subscription' national schemes.

BoD service aims to engage libraries as service providers by offering accurate and high-quality reference materials. The four national depository libraries that will serve as the source of reference for this service are:

1. The National Library, Kolkata
2. The Delhi Public Library, New Delhi
3. The State Central Library, Mumbai
4. The Connemara Public Library, Chennai

Due to the comprehensive database and rigorous methods being used to generate bibliographies, this will serve as an all in one service catering to a vast group of individual researchers and institutions.
