G20 Series #68

India's G20 Presidency

4th Development Working Group Meeting
(New Delhi– June 6-9, 2023)

(Ministry of Information & Broadcasting)

June 16, 2023

"India has exemplified before the world how revolutionary the use of technology is for the entire humanity in the form of the Digital India campaign."

- Prime MinisterNarendraModi

The 4th Development Working Group Meeting was held in New Delhi where delegates discussed key priorities of the Working Group and prepared for the upcoming Ministerial Meeting.

During the 4th Development Working Group Meeting, the delegates engaged in pivotal deliberations at the G20 Secretariat in New Delhi. The sessions were fruitful in formulating the outcome document.

Delegates got an up-close look at intricate handicrafts and more from across the country. The stalls also highlighted the transformative potential of India's Digital Payment mechanisms.

At the G20 Secretariat, delegates engaged in crucial deliberations of the 4th G20 DWG Meet. The discussions focused on the priorities of the Working Group& formulating the outcome document that will feed into the Development Ministers' Meeting scheduled in Varanasi.

Alongside drafting outcome documents in preparation for the upcoming Development Ministers' Meeting, G20India delegates got an opportunity to delve into India's rich culture.
