"माताओं और बहनों के जीवन को आसान बनाने में जल जीवन मिशन अत्यंत प्रभावी साबित हो रहा है। जन-जन की भागीदारी से घर-घर नल से जल पहुंचाने का संकल्प पूरा होगा।"

- [Prime Minister Narendra Modi](#)

Introduction

In the last eight years, the government of India has launched numerous welfare schemes that have empowered women and made them lead India's development journey. Walking long distances to fetch water for daily consumption has now become history as households across the county can get tap water connections in their homes under the Jal Jeevan Mission.

Jal Jeevan Mission is a flagship program launched by Prime Minister Narendra Modi, in August 2019, which aims to provide all rural households with tap water supply in adequate quantity & of prescribed quality by 2024.

In the absence of access to potable drinking water at home, families, especially women and young girls are forced to spend lots of time and energy every day fetching water for their families. Jal Jeevan Mission (JJM) is making concerted efforts to free women from the age-old drudgery of fetching water from a distance carrying heavy loads.

As on March 14, 2023, **over 11.42 crore rural households** have been provided tap water connections. Further, **123 districts, 1319 blocks, 73,371 panchayats and 1,53,111 villages** have become Har Ghar Jal.
