"It is up to the custodians of the leading economies and monetary systems of the world to bring back stability, confidence and growth to the global economy. Focus your discussions on the most vulnerable citizens of the world"

- [Prime Minister Narendra Modi](#)

Women 20 (W20) is the [official G20 engagement group focused on gender equity](#).

Its primary objective is to **ensure that gender considerations are mainstreamed into G20 discussions and translated into the G20 Leaders' Declaration as policies and commitments that foster gender equality and women's economic empowerment.**

With the vision to create a world of equality & equity where every woman lives with dignity, W20 aims to remove all barriers to women-led development and ensure an enabling environment and ecosystem for women to thrive, transcend and transform their lives as well as others.

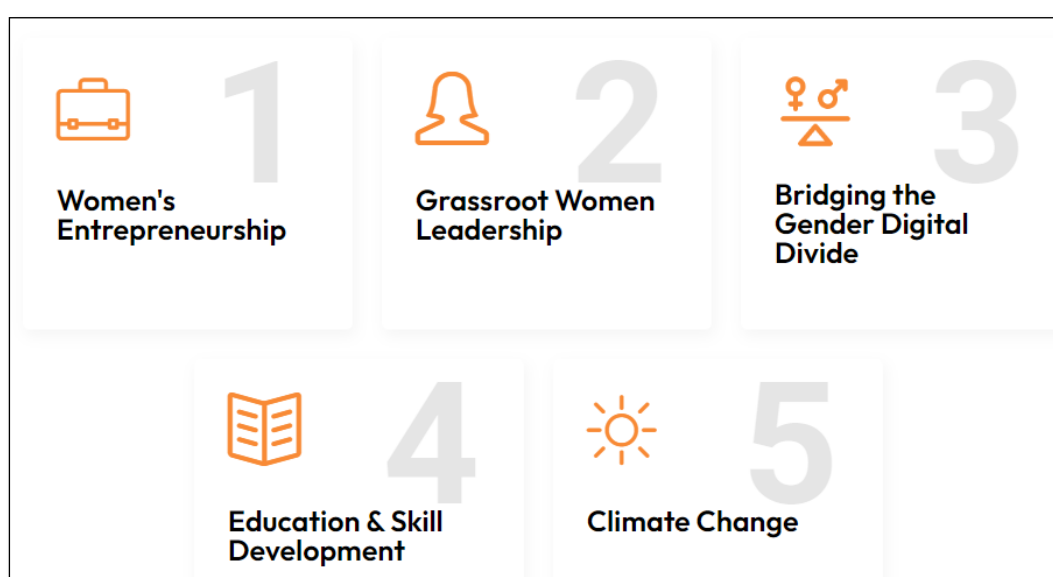

The **Goals of W20** are:

1. Inclusive consultations and action leading to a Powerful and impactful Communique
2. Feed W20 recommendations into the G20 consultations and negotiations
3. Influence and feed into the G20 Leaders' Declaration and G20 Communique
4. Establish a stronger W20 global and national network
5. Ensure continuity of W20 agenda
