

eNAM: Transforming Agricultural Trade into a Seamless Experience

1389 Mandis of 23 States and 04 UTs integrated; More than 1.77 crore farmers & 2.53 Lakh traders registered

February 20, 2024

National Agriculture Market (eNAM), a pan-India electronic trading portal, networks the existing Agriculture Produce Market Committee (APMC) mandis to create a unified national market for agricultural commodities. The initiative was launched by Prime Minister Narendra Modi on April 14, 2016. e-NAM platform promotes better marketing opportunities for the farmers to sell their produce through online competitive and transparent price discovery system and online payment facility. The e-NAM portal provides single window services for all APMC related information and services. This includes commodity arrivals, quality & prices, buy & sell offers and e-payment settlement directly into farmers' account, among other services.

eNAM Achievements: A Brief Overview Since Inception

- 1389 Mandis of 23 States and 04 UTs have been integrated to e-NAM platform.
- More than 1.77 crore farmers & 2.53 lakh traders have registered on e-NAM platform (as on
