VIBRANT VOICES

Snapshots of Lok Sabha Election 2024 Phase - 4

As the Lok Sabha elections of 2024 advance into the fourth phase, the nation witnessed enthusiastic and inclusive participation in its democratic journey. With 17.7 crore electors across 96 Lok Sabha seats, the essence of democracy resonated across 1.92 lakh polling stations spread in 10 States/UTs. In this phase, the spirited participation of various segments of society, including youth, divyangs, first-time voters, tribals, and members of the transgender community, underscores the inclusive spirit of the electoral process.
