BEYOND THE BALLOT

Glimpses of Lok Sabha Election 2024 Phase - 3

As India strode into the third phase of the electoral process for General elections, citizens from 11 States/UTs exercised their fundamental right to vote, marking another celebration of democracy. With 93 Lok Sabha seats, 17.24 crore voters and 1.85 lakh polling stations in 11 States/UTs, the electoral landscape is vibrant with anticipation and civic engagement. From enthusiastic youth to empowered women and from wise elders to Divyang voters, every segment of society plays a crucial role in shaping the democratic process. This photo feature encapsulates spirit of the third phase of the Lok Sabha Elections 2024, portraying the essence of democracy in action.
