Lalit Kala Akademi
(National Academy of Art, New Delhi)

64TH NATIONAL EXHIBITION OF ART

It is with great pride and purpose that we welcome you to the National Exhibition of Art, a landmark gathering of creative voices from across India. This annual platform, instituted by the Lalit Kala Akademi, stands as a testament to the richness, depth, and diversity of contemporary Indian art practice.

In this edition, over 300 artworks were shortlisted from entries across the length and breadth of India. The shortlisted artworks have been thoughtfully curated to offer viewers an expansive visual journey through the many languages of Indian art today—ranging from the deeply personal to the overtly social, from the abstract to the narrative, from the rooted to the experimental. This exhibition is not just a display of India's artistic excellence, but a vibrant reflection of our times—one that captures the complexities, contradictions, and continuities that shape our collective imagination.

Spanning varied mediums, themes, and approaches, the exhibition has been thoughtfully organized into six curatorial zones by the curator, Gargi Seth: Ritual & Spiritual, Myths and Memories, Rural–Urban Highlights, Loss and Displacement, Surrealism, and Material and Tactile. Each of these sections invites viewers to engage with distinct visual conversations—foregrounding how artists across regions and generations are responding to the world around them with nuance, urgency, and innovation.

We hope this exhibition offers not only aesthetic delight, but also a moment for reflection—a space to encounter the pulse of contemporary India through the eyes of its artists.

Thank you for being part of this journey.
