Integration with Mission Shakti¹

The BBBP scheme is now integrated with **Mission Shakti**, a comprehensive program for women's safety and empowerment, for implementation during the **15th Finance Commission period from 2021-2022 to 2025-2026**. Mission Shakti consists of two broader sub-schemes –

1. Sambal: Safety and Security

Mission Shakti's *Sambal* sub-scheme ensures women's safety through **One Stop Centres (OSCs)**, **Women Helpline (181)**, and **Beti Bachao Beti Padhao (BBBP)**, now expanded nationwide. It also introduces *Nari Adalat*, providing an alternate grievance redressal mechanism for resolving minor issues like harassment and rights violations.

- #### **2. Samarthya: Empowerment** - The *Samarthya* sub-scheme empowers women through *Shakti Sadans*, relief and rehabilitation homes, *Sakhi Niwas*, providing safe and secure place for stay for working women in the cities, and *Palna-Creche* providing safe and secure place for children of working women. *The Pradhan Mantri Matru Vandana Yojana (PMMVY)* now supports a second child if it's a girl, enhancing maternal health. It also compensates for loss of wages due to pregnancy and childbirth.² **The SANKALP: HEW (Hub for Empowerment of Women)**, functions in the district and serves as a single window inter-sectoral convergence mechanism provided for all women to avail the benefits of Central and State Government schemes. It works as a nodal agency at the state and district level to disseminate information regarding various schemes and policies through awareness campaigns at grassroots level

The scheme now emphasizes a **multi-sectoral approach**, involving **health, education, child development, and community awareness**. Over the past decade, **BBBP** has expanded its scope through collaborations between **multiple ministries**.
