Cabinet Decisions

#	Decisions	Amount (Rs)
1	Yuge Yugeen Bharat Museum (YYBM)	3,230
2	Noida to Greater Noida metro rail project	2,390
3	Fertilizer subsidy : Nutrient Based Subsidy (NBS) rates for Rabi 2026-27	62,370
4	Credit Guarantee Fund for Micro Units	5,000
5	Credit Guarantee Fund for Stand-Up India	4,111
Total		77,101

Development of the Yuge Yugeen Bharat Museum

Our civilisational journey – Yuge Yugeen Bharat

- The Cabinet has approved the **development of the Yuge Yugeen Bharat Museum.**
- The total outlay is **Rs 3,230 Cr.**
- The Museum is envisaged as a **landmark national institution showcasing the continuity, diversity and richness of Bharat's civilizational heritage**.
- The Museum is being developed by the Ministry of Culture through **adaptive reuse of the North Block and South Block buildings.**
- Museum plans to have the world's largest display area, **more than 1 lakh sq. m**, which **would be bigger than the Louvre** (73,000 sq. m), the British Museum (70,000 sq. m) and the Hermitage (66,800 sq. m).

Where heritage meets modern design

- The museum will **preserve the historic character, façade and architectural integrity with minimal intervention.**
- **Composition of courtyards, corridors and rooms will comprise gallery/display areas to provide a unified museum experience.**
- It will ensure **sustainable use of resources and universal accessibility.**
- The museum is being built for **30,000 visitors a day** and **1 Cr visitors a year**, with timed entry and good crowd management so people can move around easily.
- **Visitors will enjoy themed galleries, AR/VR and AI experiences, food courts**, a children's zone, souvenir shops and performance spaces.
- Thematic curation of all aspects of continuity of **Bharat's civilization journey told in its own idiom.**

Noida to Greater Noida metro rail project

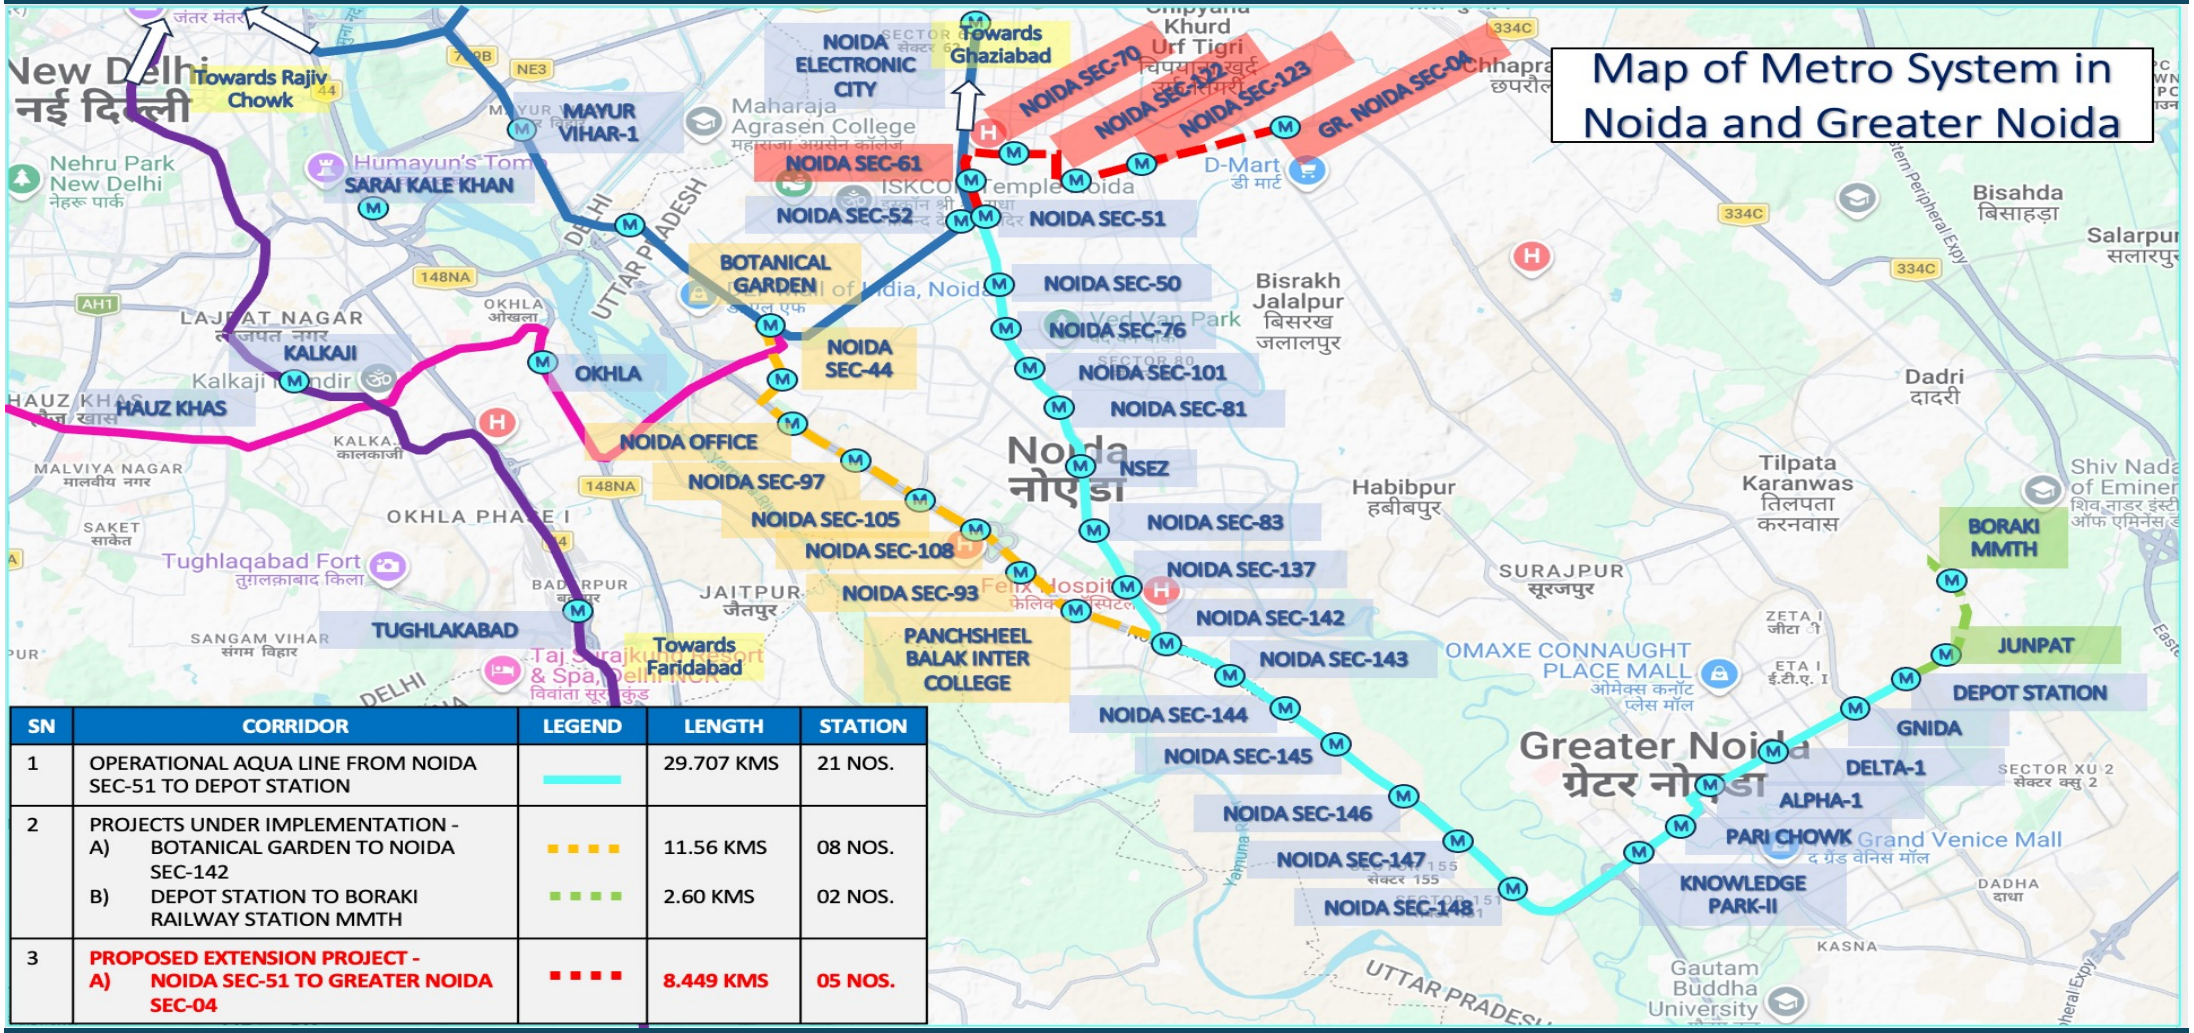

Map of the project

SN	CORRIDOR	LEGEND	LENGTH	STATION
1	OPERATIONAL AQUA LINE FROM NOIDA SEC-51 TO DEPOT STATION		29.707 KMS	21 NOS.
2	PROJECTS UNDER IMPLEMENTATION - A) BOTANICAL GARDEN TO NOIDA SEC-142 B) DEPOT STATION TO BORAKI RAILWAY STATION MMTH		11.56 KMS 2.60 KMS	08 NOS. 02 NOS.
3	**PROPOSED EXTENSION PROJECT -** **A) NOIDA SEC-51 TO GREATER NOIDA SEC-04**		**8.449 KMS**	**05 NOS.**

Background

- **Noida and Greater Noida are among India's fastest-growing planned cities** and have become major residential and commercial hubs
- Their **combined population grew more than 3 times** from 7.39 lakh in 2011 to an **estimated** 24.7 lakh (as per masterplan) in 2021
- The Cabinet has approved the Noida Metro Aqua Line extension from **Noida Sector 51 to Greater Noida Sector 04**
- The **proposed Aqua Line extension is an 8.5 km elevated corridor** with **5 new stations, linking Noida and Greater Noida West to the Delhi Metro through an interchange at Noida Sector 61**
- It is to be completed in **4 years at an estimated cost of Rs 2,390 Cr**

Benefits

- Will link Noida and Greater Noida West directly to the Delhi Metro **cutting travel time and easing congestion at Parthala Chowk, Gaur Chowk and Ek Murti Circle.**
- **Will draw strong ridership and shift commuters from private vehicles to metro,** supporting sustainable urban mobility and lower pollution.
- **Will serve a dense belt of MNCs (IKEA, Adobe, HCL, Havells), upcoming data centres, residential sectors and educational hubs**, with reliable connectivity for the NCR workforce.
- **Will connect IGI Airport** via the Magenta Line and to New Delhi, Anand Vihar and Hazrat Nizamuddin railway stations via the Blue Line.
- **Will connect directly to the upcoming Multi-Modal Transportation Hub at Boraki**, and via the RRTS corridor to Noida International Airport (Jewar) and Hindon Airport.

Fertilizer subsidy – NBS for Rabi 2026-27

Fertiliser Subsidy Package for Rabi 2026-27

- The Union Cabinet has approved the NBS subsidy rates for Rabi 2026-27.

- It has **special provisions for DAP and their extension to TSP/MAP (Triple Superphosphate / Monoammonium Phosphate)**, **the SSP (Single Superphosphate) subsidy, continuation of Ammonium Sulphate subsidy and sulphur package**.

- The total outlay for Rabi, 2026-27 is about **Rs 62,370 crore (Rabi 2025-26 was Rs 37,952 Cr)**. (Higher by 64% in comparison to last Rabi).

1. Nutrient Based Subsidy rates:

- NBS (Nutrient Based Subsidies) rates for P&K fertilisers for Rabi 2026-27 (01.10.2026 – 31.03.2027):-

Nutrient	N	P	K	S
Rabi 2026-27 (₹/kg)	94.21	66.11	2.38	10.42

Shielding Farmers from Global Price Volatility

2. Special provisions to ensure availability of DAP at fixed price of Rs. 1350 per bag beyond NBS.

3. The Government has extended the special provisions applicable for DAP on imported TSP, domestic TSP and imported MAP.

4. Freight subsidy for SSP and Subsidy on Ammonium Sulphate:

- The Government will continue **the freight subsidy on Single Super Phosphate (SSP) for Rabi 2026-27 to promote SSP as an affordable substitute for DAP.**
- The Government will also **continue the subsidy on imported and domestic Ammonium Sulphate for Rabi 2026-27**.

Boosting Domestic Production

5. Sulphur package for domestic production:

- The package covers only **domestic manufacturers.**
- For **Sulphur**, **manufacturers get 20% of the actual procurement cost subject to floor price of $800/t.**
- For **Sulphuric acid, manufacturers get 20% of the actual procurement cost subject to floor price of $266.67/t.**
- **Detailed guidelines will be issued by the Department of Fertilizers.**

Benefits

- **Will boost the domestic production.**
- **Will keep fertilisers available across the country for Rabi 2026-27**, so farmers get timely supply for Rabi season.
- **Will revive domestic production** and **reduce reliance on imports** amid the West Asia Crisis.
- **Will promote affordable alternatives such as SSP for DAP and Ammonium Sulphate for Urea**, encouraging balanced use of nutrients.
- **Will support farmers first policy along with food security and farm incomes** by keeping input costs stable through the Rabi season.

Overall Stock Position of Fertilizers in the country

Product	Stock as on 10.11.2025 (Lakh Tons)	Stock as on 10.11.2026 (Lakh Tons)
Urea	72.14	103.12
DAP	24.86	28.65
NPKs	42.44	60.87
MOP	10.78	20.08
SSP	23.24	22.49
Total Stock	**173.46**	**235.21**

Credit Guarantee Fund for Micro Units

Collateral-Free Credit for Micro Entrepreneurs

- The Cabinet has approved **continuing the Credit Guarantee Fund for Micro Units under Pradhan Mantri Mudra Yojana (PMMY).**
- The **scheme duration will be for 5 years, keeping collateral-free loans available**.
- It guarantees **PMMY loans of up to Rs 20 lakh, PMJDY overdrafts of up to Rs 10,000, and SHG loans of Rs 10–20 lakh.**
- **The outlay of Rs 5,000 Cr is approved for guarantees** and it is **expected to support Mudra loans worth Rs 12.60 lakh Cr**
- **Lower cost: The guarantee fee drops from 1% to 0.75% a year**, and the claim process for lenders will be stronger.
- **Impact: Micro entrepreneurs get more credit**, which **supports entrepreneurship and growth**, and the **quality of lenders loans improves**.

Credit Guarantee Fund for Stand-Up India

Empowering Women & SC/ST Entrepreneurs

- The Union Cabinet has **approved continuing the Credit Guarantee Fund for Stand-Up India**
- The **scheme guarantees loans above Rs 10 lakh to Rs 1 crore to Women, SC and ST entrepreneurs for greenfield enterprises** under Stand-Up India.
- The **scheme duration will be for 5 years with a corpus of Rs 4,111 Cr towards credit guarantee**, targeting an average of 2 loans per branch: one to a woman and one to an SC/ST entrepreneur.
- The **guarantee fee is standard 0.50% per annum**, with **no extra risk premium.**
- **The guarantee cover rises to 85% for all loan sizes, and entrepreneurs** get handholding through the loan process and business cycles.
- **The scheme supports inclusive growth** for women and SC/ST entrepreneurs, and creates jobs.
