हुनार हाट

Hunar Haat

# Hunar Haat

"Hunar Haat", being organised by Ministry of Minority Affairs at various places of the country, have proved to be a credible platform to provide market and opportunities to master artisans, craftsmen and culinary experts.

More than 5 lakh master artisans, craftsmen and culinary experts and people associated with them have been provided employment and employment opportunities through "Hunar Haat" during last about 5 years.

In the coming days, Ministry of Minority Affairs will provide national-international market and opportunities to indigenous exquisite handmade products of master artisans through "Hunar Haat" with commitment to "Local to Global".

# Educational Empowerment

More than 3 crore 80 lakh students from 6 notified Minority communities – Parsi, Jain, Buddhist, Sikh, Christian and Muslim- have been provided pre-matric, post-matric, merit-cum-means, Begum Hazrat Mahal Girls Scholarships during last 6 years.

More than 50 per cent beneficiaries of scholarship schemes are girl students.

Efforts of Modi Government towards educational empowerment of Minorities have shown results on ground level. School drop out rate of Muslim girls which was earlier 72 per cent, has come down to 32 per cent. Our commitment is to bring it down to zero per cent in the coming days.

## Utilisation of Waqf Properties

Geo tagging and digitisation of Waqf properties across the country has ensured utilisation of waqf properties for welfare of the society. Digitization and Geo Tagging has also helped in curbing the menace of waqf mafia.

For the first time since Independence, Prime Minister Shri Narendra Modi led Government is providing 100 per cent funding to develop schools, colleges, hospitals, community hall and other basic infrastructure on Waqf land under Pradhanmantri Jan Vikas Karykram (PMJVK) for weaker sections and needy especially girls in those backward areas which had been deprived of these basic facilities.

- About 6 lakh 52,000 registered waqf properties are there.
- Digitisation of all the state waqf boards has been completed.
- GIS/GPS Mapping of more than 95 per cent waqf properties has been completed.
- All the 32 state waqf boards have been provided video conferencing facilities.
