Country Trajectory as on 11th January 2021;
Source: coronavirus.jhu.edu;

Active cases continue to decline, now less 2.2 lakhs

India: Covid-19 Snapshot

Total cases

**1.04
crore**

Case Per Million
7,593

Active cases

**2.16
lakhs**

Contribution
2.07%

Deaths

**1.51
lakhs**

Death Per Million
109

Tests

**18.2
crores**

Tests Per Million
132,357

Case Positivity

5.7%
(Overall)

2.0%
(Last 1 week)

Case Fatality Rate

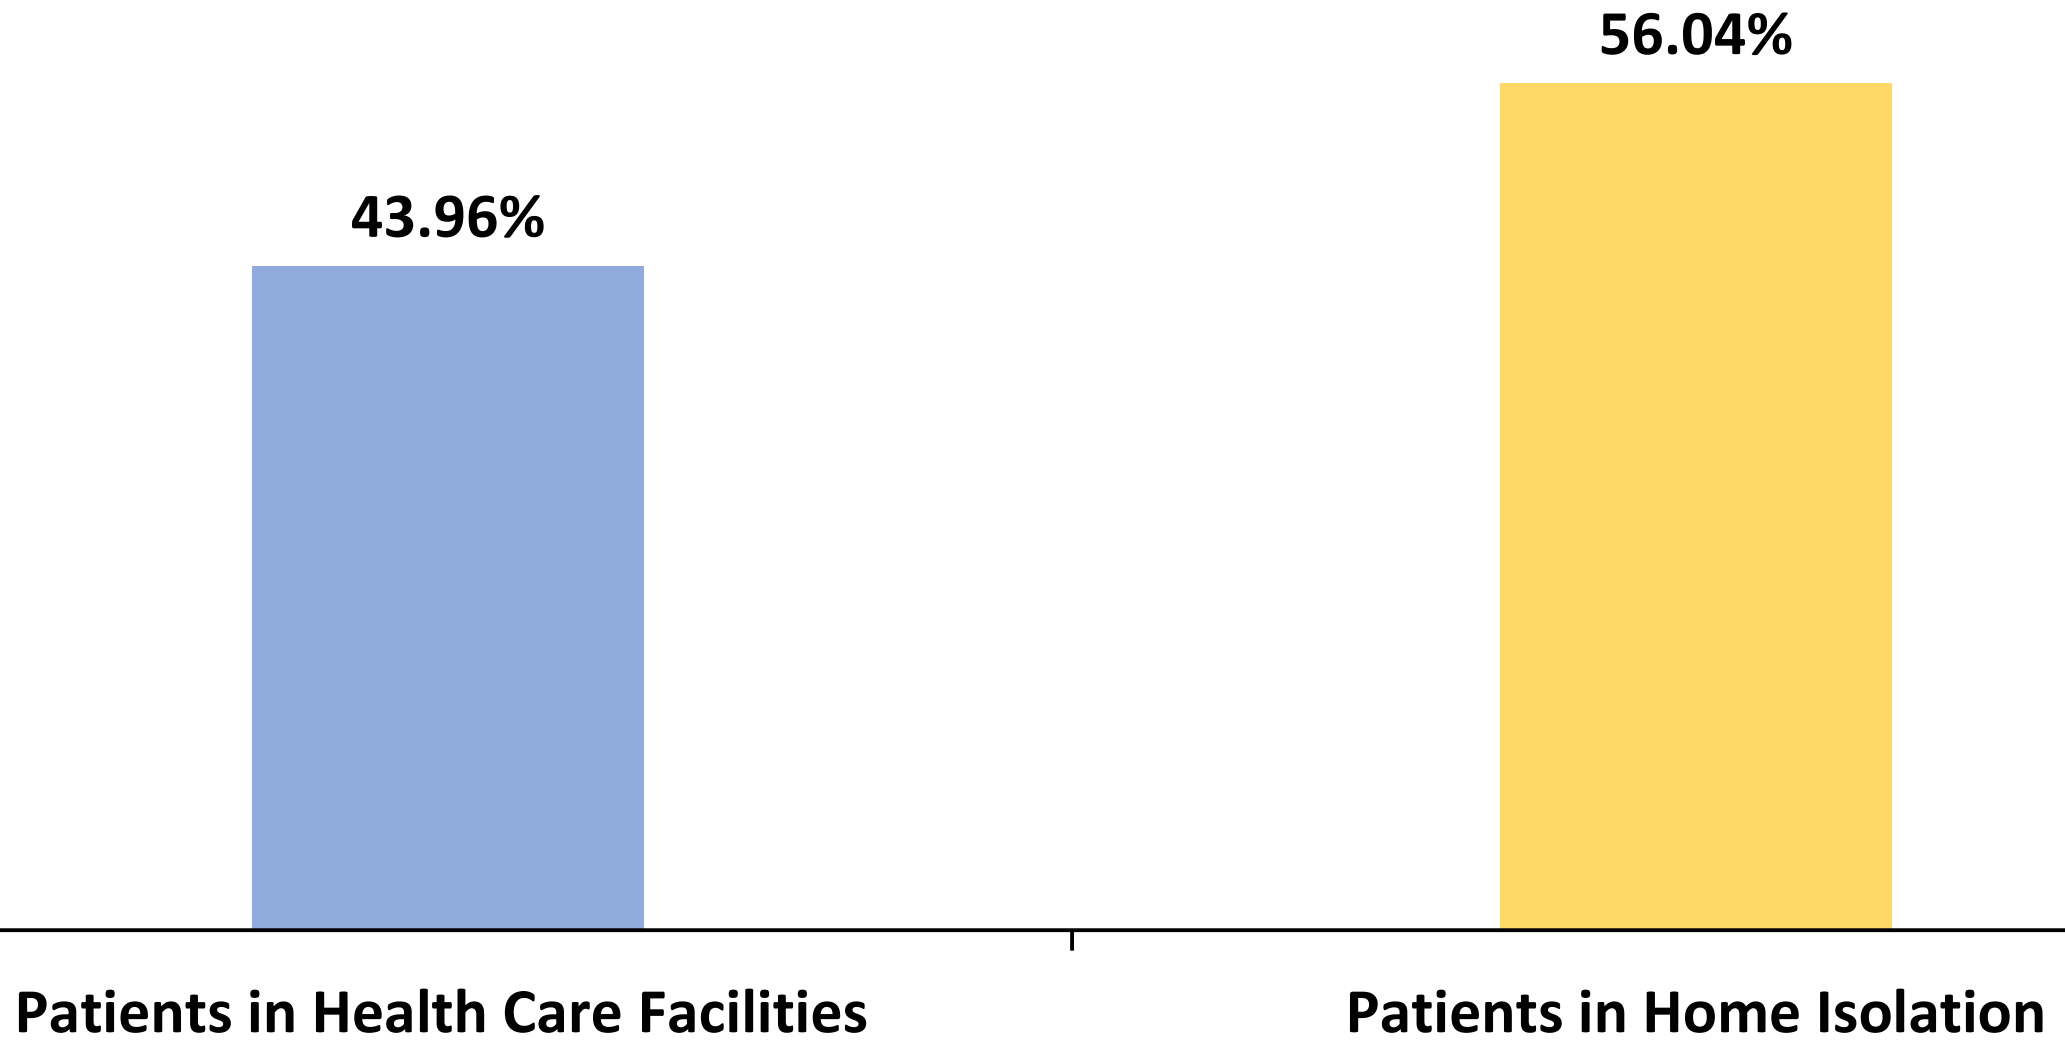

1.44%
(Overall)

1.20%
(Last 1 week)

Only 2 States/UTs with more than 50,000 cases contribute 54%

| State | Active Cases |
|-------------|--------------|
| Kerala | 63,547 |
| Maharashtra | 53,463 |

Present Status of Active Cases

Proactive & Preemptive Action by India

- To promote indigenous R&D in vaccines, pharmaceuticals & diagnostics, a “Task Force” headed by PSA set up in May 2020.
- To address vaccine procurement, logistics, prioritization of population groups etc. “NEGVAC” headed by Member (Health) NITI & Secretary, Health & Family Welfare set up in August 2020.

Emergency Use Authorization (EUA) to two vaccines in India

| Vaccine | Dec'20 | Jan'21 | Feb'21 | Mar'21 |
|---------------------|-----------------------|----------------------------|---------------|-----------------|
| Zydus Cadila | II trials complete | III trials beginning | | |
| Sputnik V | | II & III trials ongoing | | |
| Biological E | I trials started | I trials ongoing | | II may begin |
| Gennova | | I trials approved | | II may begin |

Vaccine Scenario: The World

| S. No. | Producer | Name | Type | Price per dose (USD) | Price per dose (INR) | Storage Temp |
|--------|------------------------------|--------------|-----------------|----------------------|----------------------|--------------|
| 1 | Pfizer-BioNTech | Tozinameran | mRNA | 19.50 | 1431 | -70° C |
| 2 | Moderna | mRNA-1273 | mRNA | 32 - 37 | 2348 – 2715 | 2-8° C |
| 3 | Sinopharm | BBIBP-CorV | Inactivated | < 77 | < 5650 | 2-8° C |
| 4 | Sinovac Biotech | CoronaVac | Inactivated | 14 | 1027 | 2-8° C |
| 5 | Novavax | NVX-CoV2373 | Protein subunit | 16 | 1114 | 2-8° C |
| 6 | Gamaleya Centre | Sputnik V | Viral vector | < 10 | < 734 | 2-8° C |
| 7 | Johnson & Johnson | JNJ-78436735 | Viral vector | 10 | 734 | 2-8° C |

Vaccines in India

- **110 lakh doses of COVISHIELD** vaccine are being procured from **SII** at the cost of **Rs. 200/dose** (excluding taxes).
- **55 lakh doses of COVAXIN** vaccine are being procured from **BBIL**.
- **Cost of 38.5 lakh doses** of COVAXIN is **Rs. 295/dose** (excluding taxes).
- BBIL is providing **16.5 lakh doses of COVAXIN free of cost** to the Central government.
- Hence, the **cost of COVAXIN is Rs. 206/dose**.

Preparations for roll-out of COVID-19 vaccine

Close collaboration with States/UTs for vaccine roll-out preparedness

All preparations on track for COVID-19 vaccine roll-out from 16th January 2021

26 virtual meetings/trainings held with States/UTs, 2360 Master Trainers, 61,000 Programme Managers, 2 lakh Vaccinators, 3.7 lakh other Vaccination Team Members trained so far.

Key Principles for COVID-19 Vaccination

Ensure **people's participation** (*Jan Bhagidari*)

Utilize experience of **elections** (booth strategy) and **Universal Immunization Program**

No compromise of **existing healthcare services**, especially national programs and primary health care

No compromise on **scientific and regulatory norms**, other SOPs

Orderly, smooth implementation **driven by technology**

Sequential roll-out of COVID-19 vaccination

Health Care Workers (approx. 1 crore)

Public Health Facilities

Pvt. Health Facilities

Front Line Workers (approx. 2 crore)

State and Central Police personnel

Armed Forces personnel

Home Guards, Civil Defense & Disaster
Management Volunteers

Municipal Workers

Prison staff

Revenue workers involved in
containment and surveillance

Prioritized Age-groups (approx. 27 crore)

> 50 years

< 50 years with Co-
morbidity

Cost of vaccination of Health Care Workers & Front Line Workers will be borne by Central Govt.

National Level and State Level Vaccine Stores

- **4 GMSDs** at **Karnal, Kolkata, Chennai,** and **Mumbai.**
- All states have at least one state level regional vaccine store.
- **Uttar Pradesh** has **9**, **Madhya Pradesh** has **4**, **Gujarat** has **4**, **Kerala** has **3**, **J&K** has **2**, **Karnataka** has **2** and **Rajasthan** has **2** stores.

Arrival of Doses at 4 pm on 12/01/2021

- **54,72,000 doses** received.
- **100% doses** to be received **by 14th Jan 2021** in all states/UTs.
